

NORTHVIEW THEATRE BOOSTERS

The Sylvania Northview High School theatre program has a proud tradition. Each school year, under the direction of Mr. Don Wachowiak, dedicated stage performers and backstage technicians prepare and perform a full musical production, a dramatic play, and a series of student-directed One Act plays, and are involved in numerous other drama-related activities and classes. In 2012-13 more than 100 Northview students were involved in the Northview theatre program through acting, dancing, music, production, promotion and support. We are extremely proud of the commitment our students put forth to share their artistic, technical and organizational talents with teachers, fellow students, families and the entire Sylvania and surrounding communities.

Theatre Boosters – What do we do?

Although participating theatre program students “pay to participate” and the school system budgets some funds for the program, parent-organized fundraising is required to cover a portion of the program costs. In past years, funds raised by the Northview Theatre Boosters helped support not only the productions, but also contributed to other NV Theatre student activities and program needs throughout the year (i.e. purchasing equipment, helping to fund student attendance to the EdTA Ohio State Thespian Conference.)

How can you get involved?

Join us for monthly booster meetings! We need you!

On the 2nd Tuesday of each month during the school year, Theatre Boosters meet to plan upcoming events and fundraising activities. Meetings begin at 7p.m. in the Northview High School Black Box Theatre (BBT). Anyone is welcome and encouraged to attend. Several leadership positions are available this coming year so please consider offering your time and talents.

Volunteer!

There are many opportunities to volunteer for productions, fundraisers, special events and other activities. Volunteer for one or many events throughout the year.

Become a Patron!

The easiest way to help is to become a Northview Theatre Patron. Your patron donation will go a long way in helping to ensure our Northview students an enjoyable, educational and rewarding theatre experience.
